

IEEE Xplore User Awareness Session on WebEx Meetings
Jointly organized by

BVM Engineering College
(An Autonomous Institution)
(Affiliated to Gujarat Technological University)

A screenshot of a WebEx meeting interface. The top banner features a collage of images related to technology and engineering. Below the banner, the text "IEEE Xplore User Awareness Session" is displayed in large blue letters. Underneath, it says "Dhanukumar Pattanashetti, IEEE Client Services" and "Organised by IEEE Student Branch". In the bottom right corner, the IEEE logo is visible with the tagline "Advancing Technology for Humanity". On the left side of the interface, there is a small window showing a participant's name "Dhanukumar Pattanashetti" and a circular icon with the letters "DP". On the right side, there is a red circular icon with a white microphone symbol.

IEEE Xplore User Awareness Session

Summary Table

Title of the event/workshop:	IEEE Xplore User Awareness Session on WebEx Meetings		
Name and Designation of the Experts:	Name		Designation
	Mr. Dhanukumar Pattanashetti		Senior IEEE Client Services/University Partnership Program Manager, Bangalore
Contact Information of the Experts:	Sr. No	Name	Email ID
	1	Mr. Dhanukumar Pattanashetti	d.pattanashetti@ieee.org
Name of the Principal of the Institute:	Dr. Indrajit Patel		
Department Name of the Institute:	Electronics and Communication		
Name of the Head of the Department:	Dr. Bhargav C. Goradiya		
Year/Semester of the Students:	1st, 2nd, 3rd, 4th Year Students, Faculties/Professionals		
Specific Subject under which event/workshop organized:	IEEE India Region 10		
Professional body under which event organized:	Prof. Darshan C. Dalwadi, IEEE Student Chapter, Gujarat Section		
Date and Time of the Event/Workshop:	Date : 3rd April 2020		
	Time: 11:00 AM to 12:00 Noon		
No. of Days for Event/Workshop:	01		

IEEE Branch Counselor's Details:	Name: Prof. Darshan C. Dalwadi		
	Email: darshan.dalwadi@bvmengineering.ac.in		
Staff Coordinator's Details:	Sr. No	Name	Email ID
	1	Prof. Darshan C. Dalwadi	darshan.dalwadi@bvmengineering.ac.in
Total No. of Participants:	134		

Objective of the event

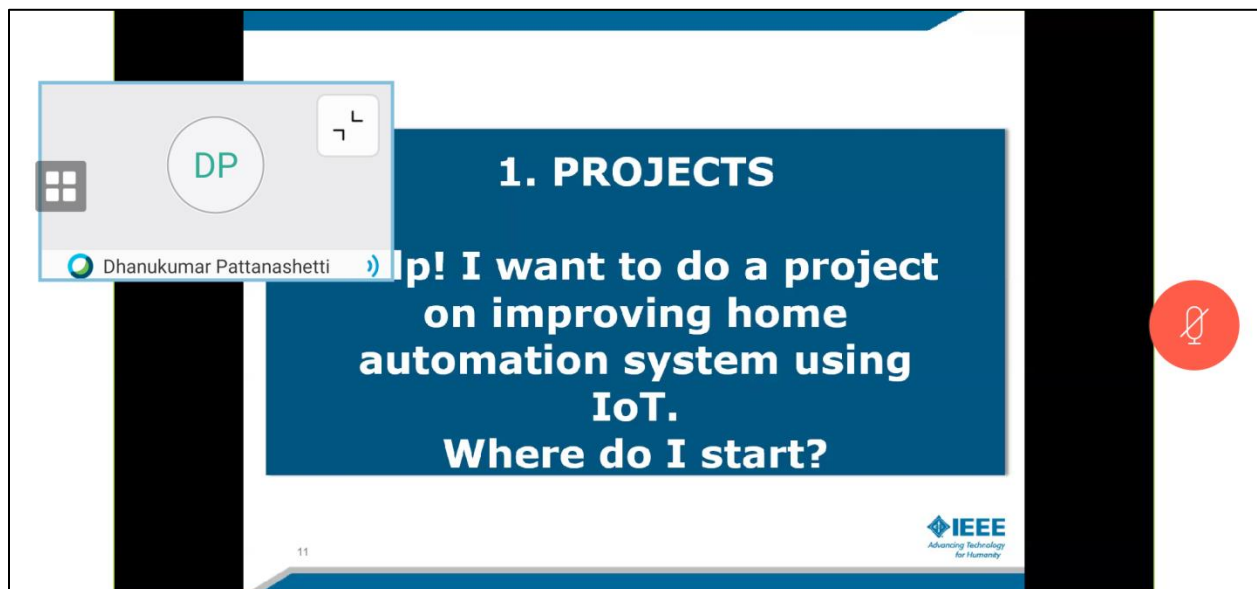

- To make aware and explain the students about IEEE Xplore (IEEE Digital Library) and its importance in academics and research work.
- Main aim is to motivate the students to write research papers and for that how to utilize the library effectively.

Expected Outcomes

- The students would be able to utilize various papers and functions of IEEE Xplore digital library and use them in research work. They would also be able to find and filter the correct matter they are looking for.
- The students, academic professionals would be motivated to write and find the most quality research papers and articles using IEEE Xplore Digital Library.

About the event

- The event started at around 11:00 AM in presence of Dr. Darshan Dalwadi with a warm welcome to the expert of the session Mr. Dhanukumar Pattanashetti and opening remarks about webinar jointly organized by IEEE Region 10 and IEEE BVM SB. Many students as well as faculties/professionals also took part in this webinar.
- Then after, detailed explanation and demonstration of IEEE Xplore Digital library was given to students. With the motive to make students understand the basics of writing research paper, the initial process was explained.
- How to do a narrowed research and how to filter out the most accurate articles and papers using commands and keywords was shown to the participants.
- Various aspects such as IEEE Author Centre, Early access articles, Citation Alerts were explained. In the conclusion, the expert with his closing remarks explained the importance of research in technology field and how IEEE Xplore Digital Library be a great resource for authors.

Example based demonstration of IEEE Xplore Digital Library

IEEE Quality Makes an Impact

Studies reinforce that the top cited journals in the world are from IEEE. The top 20 journals in EE* of the top 20 journals in telecommunications.

IEEE has the #1 cited journals in Computer Hardware, Artificial Intelligence, Automation & Control, Information Systems, and Remote Sensing

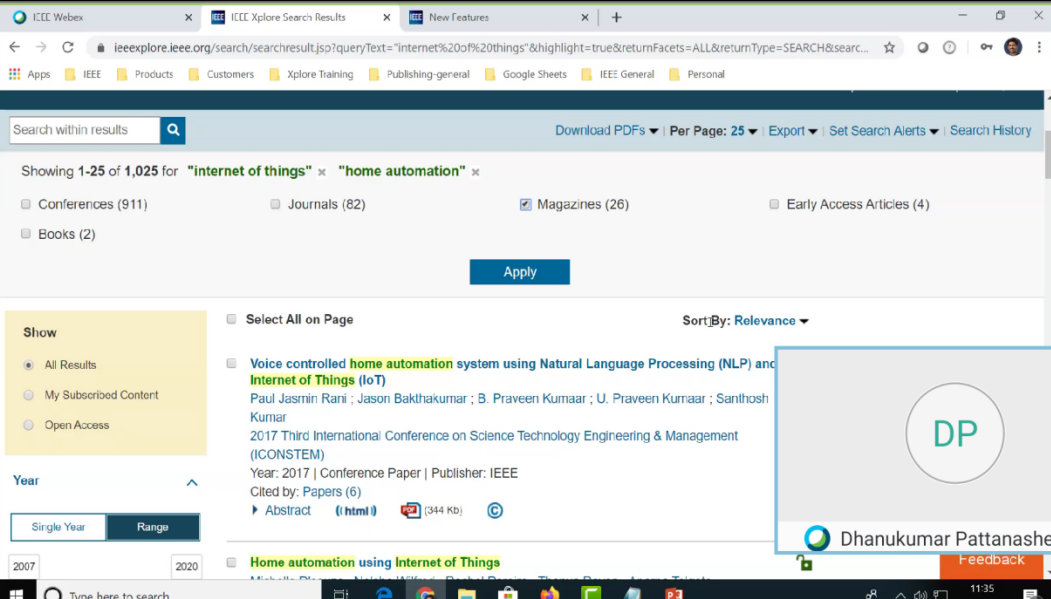

- IEEE Access has an impact factor of 4.098 (up from 3.55)
- Cited in patents 3x more than any other publisher**

* Based on the Clarivate Analytics Journal Citation Report study released June 2019
** Source: 1790 Analytics
